THE GRAMMAR SCHOOL,
BRISBANE, JULY, 1917.

DEAR SIR,

The result of the issue of our first circular has been so suggestive in certain directions, that the Executive has decided to publish a progress report dealing with these matters.

Of the 4,000 circulars posted, about 600 copies were returned, despite the utmost efforts of the Executive to obtain the present address of all Old Boys. We feel that it is incumbent on us to offer to every Old Boy the opportunity of taking his part in the movement, and, therefore, particularly request that, if you know the correct present address of any of those who are named on pages 6 and 7, you will be good enough to forward it to the Hon. Secretary, B.G.S.

From the expressions of opinion we have received, we are satisfied that the proposal outlined in our first circular is perfectly feasible. The record of the patriotism of the Old Boys of the School can, and will, certainly be preserved by a fitting memorial, for the inspiration of future generations; and it is the privilege of the Old Boys of the School, and the relations and friends of the volunteers, to see that the scheme is successfully carried out.

This circular is being sent in the hope that it may be forwarded to the Old Boys at the Front. Our object is not to ask them for any further sacrifice than they have already made, but to let them know what is being done. We are proud of the way in which the School has done its duty. They too, will share that pride, and perhaps some of them will wish to join in the movement, as some of their fellow volunteers already have done.

While, however, we are sure that everyone will wish to take part in the movement, it is clear that the large majority have not yet decided what their subscription shall be. Some may wish to send more than they feel they can afford now. Some may prefer to promise a subscription in instalments. Some of those who have already subscribed have actually expressed their hope and intention to send a further subscription later on. We would invite you to assist the Committee in developing the scheme by enabling them to form a reliable estimate of what the fund may amount to. We are sure that you desire to help the movement; and, if you are in a position to state what your subscription will be, you will help us best by filling in the accompanying slip, and forwarding it at your early convenience to the Hon. Secretary. [N.B.—The slip is intended for the use of those who have not yet expressed their intentions].

When the Honour Board was unveiled on August 14th, 1916, it contained the names of 653 Old Boy Volunteers; on the last Foundation Day the number was 722. Some corrections have been made, and the number is now 820. On page 3 will be found a list of all those whose names have been added since the publication of the list on February 28th, 1917; and the photograph on the back of this circular shows the Board as it was on July 1st, 1917.

The story of sacrifice is still being continued by these volunteers. It is ours to see that the memorial is worthy of the sacrifice.

We are, for the Committee,

Yours faithfully,

J. L. WOOLCOCK (*Chairman*).

S. STEPHENSON (*Hon. Secretary*).

Lecti Juvenes, Fortissima Corda.
